Ft. Thompson, South Dakota 57339
(P) 605-245-2250 (F) 605-245-2247

Hi! My name is Ronnette Walton. I am part of the Crow Creek Housing Authority...We would like to say **kudos** ☺ to Insurance Specialty Group and Greg Tate for helping us with our Safety Program. "Take Time for Safety" has helped us to learn and be safe about the following...

- *Electrical Hazards – You can get shocked if you touch the ground and a live wire at the same time and touch electrical equipment with wet hands.*
- *Blood Borne Pathogens – All workers in all areas of employment should be concerned with blood borne pathogens and OSHA requirements, it doesn't just apply to the health field.*
- *Hand Tool Safety – At the end of a task where we used hand tools, we should put them away in their proper storage place and the safest way to take tools up and down ladders is in a bag or bucket.*

Pi-da-ma (Thank you) to Greg Tate and Insurance Specialty Group!!!

Ronnette Walton, CFO
